## Papal Visit to Canada/Host Broadcaster transmission schedule

**All Host Broadcast produced events** will be distributed in **1080i/59.94 fps HD-SDI**

**Host broadcast audio configuration:**      channel 1& 2 - International sound  
   channel 3 – English translation  
   channel 4 – French translation

All feeds will be available at Toronto-NOC. Broadcasters with NOC connectivity are asked to contact Dome CER to confirm orders. [Dome-NOC@domeprod.com](mailto:Dome-NOC@domeprod.com)  
Request access to **Papal Host PGM2** with date/time and your receive circuit info.

General inquiries can go to: [hostbroadcaster@domeprod.com](mailto:hostbroadcaster@domeprod.com)

Global distribution of all Host feeds is being coordinated by Eurovision, who will make feeds available to all requesting broadcasters. Contact **Eurovision** at the following:

**Media Centre** distribution of all Host feeds will be available on site. Broadcasters needing access to the host feed will need to provide their own cabling to the HD-SDI distribution sites or request a dedicated drop at your workspace. This can be done through **Encore**, the venue technical suppliers.

Email: [ben.edwards@encoreglobal.com](mailto:ben.edwards@encoreglobal.com)

Dome Productions/Host Broadcaster will have no on-site media centre production facilities.
